

“HANDS-ON SELF HEALING SESSION!”

Join us Thursday mornings for an at-home self-healing energy session and activate your body’s innate desire and ability to self-heal!

Lynn Pridmore, Holistic Health Practitioner, Jin Shin Jyutsu Practitioner and Reiki Master, will lovingly guide you through a relaxing, soothing, energy-opening healing session.

You will gently place your hands on your body, following the energy pathways (meridians) of your body.

The systematic hand placements will relax and harmonize your body, mind and emotions, helping to dissolve physical, mental and emotional discomforts.

You’ll end the class feeling relaxed, refreshed, calm and at peace; aligned in body and in mind.

Gift yourself the gift of peace and join us Thursdays at 11 am, beginning June 6th!
